

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

### Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

### About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. You can search through the full text of this book on the web at <http://books.google.com/>

## A HYMN TO THE OMNIPRESENT.

---

Oh central glory, profound of sacredness,  
Essence of purity and love and truth,  
Zenith of all height, and depth of the deep of  
thought,  
The consummation, and the absolute,  
Sole origin eternal, and preserver,  
Alone, and being by Thyself,  
Intensity of all that is holy,  
And holy because infinite,  
Omnipresent, yet solitary,  
With neither vanity nor vacancy,  
In majesty, sublimity and greatness,  
In liberty and self-sufficiency,  
Thou art perfection. Therefore peace is Thine,  
And rest, and knowledge and contentment—

4      A HYMN TO THE OMNIPRESENT.

Satisfaction, joy and the unchanging ecstasy.

Yet Thou art tender, gentle, and full of grace,

Throughout Thy nature.

Oh blessed divinity, possessed by Thee !

Justice and judgment, in everlasting consciousness,

And constancy which cannot move,

Mind fathomless and fixed, living,

Side by side with burning love.

Rock and river, sky and flower,

Star and lightning speak of Thee,

The fragile of Thy beauty, and the sublime of  
Thy great power.

Thy living creature of Thy wisdom sings,

And all creation of Thy matchless understanding,

And the powers of reverence and awe and admiration,  
set in man,

Adore, and indicate that Thou art unsearchable,

Seen only by unity with Thee.

(Thus obedience is enjoined, and its reward and  
consequence

Is vision of the Law-giver.)

Power and might and strength belong to Thee,  
Exerted in the infinite of self-existence,  
And the invisibly minute, in Thy creation.  
And speech is Thine, so wonderful,  
Perfect only in likeness and oneness.

And Thou hast a hidden name,  
Unknown to those with whom Thou sharest  
existence.

(Thus Thou art distinct from, though one with,  
all the good.)

Thou art omniscient and omnipotent,  
And complete in lovableness.  
How gracious, almighty in Thy love,  
Forgetting not one faintest prayer,  
Remembering to reward each smallest effort to  
obey!

Thou art complete in bliss,  
And faithful to Thy promises to bless.  
Thou art our Friend, preserving solitude from  
loneliness, and life from bitterness.  
How wonderful! Thou art the Friend of angels  
and of men.

6        A HYMN TO THE OMNIPRESENT.

Eternal and unchangeable and far surpassing all  
description,

Yet the very substance and essence of all holy  
words.

Delight, rest, consolation, tranquillity, mysterious  
life.

Immortal, infinite, divine.

1. The first part of the document discusses the importance of maintaining accurate records of all transactions and activities. It emphasizes that proper record-keeping is essential for transparency and accountability, particularly in financial matters. The text outlines various methods for organizing and storing data, including digital databases and physical filing systems. It also mentions the need for regular audits and reviews to ensure the integrity and accuracy of the records.

2. The second part of the document focuses on the role of communication in achieving organizational goals. It highlights the importance of clear and concise communication, both internally and externally. The text provides guidelines for effective communication, such as using appropriate language, being open to feedback, and ensuring that all team members are informed and aligned. It also discusses the benefits of regular communication, such as improved collaboration and faster problem-solving.

3. The third part of the document addresses the challenges of managing a large and diverse team. It acknowledges that managing a large team can be a complex task, requiring strong leadership skills and effective delegation. The text offers strategies for managing a large team, including setting clear expectations, providing ongoing support and training, and fostering a positive team culture. It also emphasizes the importance of recognizing and rewarding team members for their contributions.

4. The fourth part of the document discusses the importance of innovation and creativity in driving organizational growth. It argues that innovation is a key driver of success in a competitive market, and that organizations must foster a culture of innovation to stay ahead. The text provides tips for encouraging innovation, such as encouraging employees to think outside the box, providing resources for experimentation, and rewarding innovative ideas. It also mentions the importance of protecting intellectual property and seeking legal advice when necessary.

5. The fifth and final part of the document provides a summary of the key points discussed and offers some concluding thoughts. It reiterates the importance of maintaining accurate records, effective communication, strong leadership, and a culture of innovation. The text concludes by expressing optimism about the future of the organization and its commitment to achieving its goals.
